## StoryHall Fellowship — The Next Chapter

Congregational Notes

### Where We Are

- A turn in the road.
- A look back and a look forward.
- A next chapter moment.

### Year in Review

- Launched the boat.
- New space. Old building. New body.
- Still unfinished — expected.

### What This Year Was About

- Depth before distance.
- Jesus before strategy.
- Formation before momentum.

### Lazarus — Our Shared Condition (John 11–12)

- Dead — what only Christ can raise (John 11:39–44).
- Disabled — what still needs unbinding (John 11:44).
- Dangerous — resurrection draws resistance (John 11:45–53; 12:9–11).

### The Tension We Live In

- Resurrection moves outward (John 11:43).
- Life does not stay static.

### The Next Faithful Step — Growth (Acts 2)

- Shared devotion and life together (Acts 2:42–46).
- People added as life is shared (Acts 2:47).

- Growth is about people, not numbers.

## Identity & Place

- StoryHall Fellowship.
- 728 S. Main, Lockhart, Texas.
- Old building. Living body.

## Our Mission

StoryHall Fellowship fulfills its mission as a church by exalting Christ and pursuing our collective and individual callings for the good of the community.

## How We Walk — The Triptych

- Flame — deny self and follow Christ (Matthew 16:24–26; John 15:4–5; Galatians 2:20; Psalm 119:105).
- Path — walk the way Christ sets before us (Matthew 16:24–26; Philippians 3:12–14).
- Table — He prepares a table in the presence of my enemies (Psalm 23:5; Acts 2:46; Hebrews 10:24–25).

## What Can I Do?

- Attend to the Flame — prayer, obedience, attention to Christ.
- Walk the Path — take the next faithful step.
- Commit to the Table — shared life, hospitality, service.
- Invite someone who needs Jesus.
- Say yes where help is needed.

## The Invitation

- Those who need Jesus.
- Those needed to help do the work.
